The journal is dedicated to publishing scientific and clinical literature on dissociation, the dissociative disorders, posttraumatic stress disorder, complex PTSD, psychological trauma, and attachment disturbances, in order to foster exchange among researchers, clinicians and other professionals.

***The European Journal of Trauma & Dissociation*** publishes manuscripts in English or French on theory, clinical treatment, and research related to psychological trauma and dissociation in children and adults. The journal welcomes contributions, including case studies, from anthropological, cross-cultural, historical, neurobiological, pharmacologic, physiologic, psychological, psychometric, psychotherapeutic, and social viewpoints. The journal is published quarterly.
